Dear Business Owner / Manager

This is your invitation to join the Chamber. The Chamber is a group of business people who are committed to the free enterprise system within our area.

Through our involvement in government, education programs, news releases and speakers, your participation and involvement in the Chamber will represent the voice of the business and professional community and that message will be heard loudly and clearly.

Things don't just happen! Progress can be made through the efforts of many of us working with multiple programs through an avenue known as the Chamber of Commerce. Member volunteers will share in the publicity derived from causing good things to happen in our communities.

The Chamber of Commerce is not a charitable organization, however, it supports local charities through the dissemination of information to the membership. In 2005, Chamber members supported many diverse community-based activities and fund raisers through their contributions of time and money. Some of these included:

- ◆ The Institute for Children with Cancer and Blood Disorders
- ◆ The volunteers for the Borough of South Plainfield's Annual Labor Day Parade
- ◆ The Trick or Suites indoor Halloween trick or treating event for physically challenged children from local hospitals and institutions
- ◆ Many, many, more....

Your membership in the Chamber holds the key in making those things continue to happen. Your ideas, your input, and actions will be translated into positive results and your prestige as a community leader will increase. You become the Chamber, working to make our communities better places to live and work.
